**Did you know?** You can easily apply your laminate or decorative to any KPM stock panel by making it a Ready Bond Panel. By applying a double-sided transfer adhesive to your panels, you save time, labor and money. Simply peel off the protective backer, align your laminate and J-roll it to the panel. No sticky glue or contact cement required. Call us today for a free Ready Bond sample at 303-288-4534.

Pricing: 4' x 8' – add \$165 ea.    5' x 10' – add \$175 ea.    5' x 12' – add \$190 ea.
